

Course Sign-up Guide

2016 Fall

Registration Period : August 10~25 **(8:00 AM ~ 23:00)**
(GMT + 9) (Except weekends, 15th, 24th)

Website : sugang.skku.edu

We highly recommend you use the *Microsoft Internet Explorer* for the Sugang website.

SKKU does not provide Mac OS due to technical matters.

Please use [our mobile app](#) or emergency access.

Introduction

Dear exchange/visiting students,

We expect that students come to Korea before a week or so, and there will be some overlaps with the course sign-up period.

In most cases, it is very natural that exchange students cannot register classes they want when they try to do it online. Normally, the registration will be over in 5 minutes after the beginning of 8:00a.m, due to fast students in Korea.

Usually you will be very successful if you get into 1~2 courses online, and for rest of them you have to visit professors for approval, when the semester begins.

Our office will be very busy handling with course sign-up approvals from the beginning of September, and in the end students will have little or no problem taking classes. No worries.

Please take this into your consideration, and we'll do our best, too.

- On behalf of the OIR, Myung bo Shim

Introduction

-Tips-

Try to prepare Plan Bs as many as you can. In other words, it's better to think of many other courses, in case you fail to get into the courses you want. In this case, using Course Bag will help.

Course Sign-up(Course Bag)

Way 1. Course Registration with 'Course Bag' function

Course bag is the easiest way to register your courses.

How to...

1. Go to SKKU webpage
2. Log in and access to GLS
3. Add courses you want in the course bag at GLS before the registration period
4. Go to Sugang webpage & 'Registration' tab
5. At the Course Bag tab, Click on "Registration"
6. Check your results at "Final Course List" tab

NOTE: Finishing 'Course Bag' does not mean that your registration is done.
You MUST register your courses at Sugang webpage.
